Springs in the Desert is a place to find solace in being part of a community that understands the unique challenges you face because of infertility.

ENCOURAGEMENT

We believe that acknowledging our grief and sharing it with others is essential to breaking through the isolation of infertility. We walk together, pray for and uplift each other.

SOLIDARITY

Wherever you are on the path, our community offers peer-to-peer support and encouragement from others who understand and are finding hope, peace and strength in friendship.

TRANSFORMATION

We are here to support you spiritually and emotionally, but the real work is God's. His merciful love will transform us so that we can discover the unique life-giving mission He has given us.
